

United Methodist Women Meeting

The UMW meeting will be held on Tuesday, November 9, at 10:00am. The program will be presented by Sally Weinland, Johanna Brownell and Connie Huyser, who attended the mission study on Food and Faith. United Methodists are known for their pot lucks and their love of breaking bread together. Eating is not just consuming food to sustain bodies; it is a time for being together in fellowship. It is a time to share our faith and reach out to others in God's community. Special Mission Recognitions will be presented at the meeting. Make reservations with Sally J. Weinland, at 489-1029, and let her know if you need child care. The executive committee meets prior to the unit meeting at 9:00am in Room E-5 (Library).

Besides the 2011 Sacramento Entertainment Book, please consider obtaining an out-of-area book. We have available every book Entertainment publishes in California, Oregon, Nevada, and Arizona. The new Sacramento price is only \$30! Call John White, at 487-8714, for more information.

Robert & Dorrie MOON LECTURE SERIES

"I could take credit for the students' accomplishments, but without God's guidance every day, Nyaka School would not exist. It was not my intellect, my education or even my connections in America that led to the school's success. It was my calling and faith in God that carried me through the times of doubt and uncertainty. It was prayer that held me up when things seemed about to fail."

Lecture tickets are on sale now for \$25. All lectures take place at St. Mark's UMC. For more information and tickets please visit www.stmarksumc.com

Pardon Our Dust!

You may have noticed the changes out on the playground. Like where did it go? The old playground has played its final game and the new one is on the truck en-route to its new location. Thanks to the generous donations of many supporters, St. Mark's Preschool has successfully raised enough funds to replace the old faithful equipment and are now in the process of preparing the area to build the new equipment. We anticipate the delivery and installation of the new equipment very soon! If you would like to help with the building efforts please contact Lily Andrews at the preschool office 485-6509.
